Please note: *If your pet is not current on boarding requirements, a Veterinarian will perform a physical exam to determine your pet's general health status, and the required services will be performed during your pet's stay. (See back side for requirements.)*

When your pet comes in to board at our hospital, a veterinarian may perform a physical exam to be certain your pet is in good health and free of parasites. If any parasites or health concerns are found, we will attempt to contact you at the numbers provided. If we cannot reach you, we will treat your pet and apply the related charges to your invoice. A cleansing bath may be given for a small fee if your pet soils itself while boarding.

In case of illness or injury, I, the undersigned, do hereby give my consent for the Doctors of Summertree Animal & Bird Clinic to treat, prescribe for, or operate on my pet, while my pet is boarding at the hospital, as necessary and desirable in the exercise of the Veterinarian's professional judgement.

I understand that Summertree Animal & Bird Clinic exercises all reasonable precautions against illness, injury or escape, and I will not hold Summertree Animal & Bird Clinic liable or responsible for the care, treatment or safekeeping of my pet.
